# Country Range Herb and Spice of the Month

>> This month's Country Range Herb and Spice of the month are...

- **Country Range Garlic Power**

Dried garlic powder should be used as an alternative to fresh garlic. It is great to use in many homemade sauces including mayonnaise. The powder intensifies the flavour, so always use less dried garlic powder in your recipes than fresh.

- **Country Range Dried Tarragon**

Tarragon has a mild, sweet aniseed flavour which is a perfect match for chicken and turkey recipes. Tarragon also works well with fish, prawn and vegetables and can be used in many sauces. Simply stir in with Dijon mustard and crème fraîche to make a simple yet effective chicken sauce.
