BOOKER PRICE PROMISE

Why Booker?

Because they are the UK Market Leader in Wholesale, and we are here to Beat Their Prices! At Harlech Food Service, we're committed to saving you money, not just matching. We perform a weekly price comparison on 50 of our best-selling products against Booker's prices. If necessary, we'll react to ensure we're always matching or beating their rates.

Look for the Price Promise tick and start saving with Harlech Food Service!

Terms & Conditions: Harlech Food Service - Booker Price Promise

This initiative compares the prices of our top 50 best-selling products against comparable or identical items at Booker. If our price for these selected products is higher, we commit to reducing it to match or beat Booker's price, under these terms. Price comparisons and adjustments are based on the unit price or price per weight of the items, and they are also pro rataed this way. All featured products are subject to availability, and we don't guarantee continuous stock. We determine product comparability based on similar usage occasions. We verify Booker's prices weekly, every Monday, and our Price Promise reflects these prices, which are subject to change. The "Harlech 50" is a list of our 50 best-selling lines across a variety of customers' needs. It is a curated list designed to ensure every customer finds products they regularly purchase, which we may update. Detailed information on specific product comparisons can be found on our website: <https://www.harlech.co.uk/Harlech-50>. This Price Promise excludes Booker Club or other membership-specific pricing, promotional offers from either Harlech or Booker, and any rebate programs. Harlech Food Service reserves the right to modify or terminate this Price Promise and these terms at any time without prior notice. These Terms and Conditions are governed by the laws of England and Wales.
