PICKSTOCK OUR PARTNER FOR AWARD WINNING BEEF

Just like us, Pickstock is a family business with a proud heritage in their industry – and a reputation built on the quality of their 100% British beef. Their steaks, joints, burgers, mince and more are trusted by foodservice providers across the UK, with three unique brands to cover every price point and type of business.

PGI-approved cattle born, bred and matured for up to 36 months in the lush Welsh landscape.

Up to 36 month matured beef, sourced less than 200 miles from the Pickstock facility.

Our Herdsman's brand is selected from cattle over 36 months to achieve consistent quality at a cost friendly price point.

- STEAKS -
