COFFEE

Partnering with

FERRARI'S

..... COFFEE ROASTERS

- HAND-ROASTING COFFEE SINCE 1927
- ETHICALLY SOURCED COFFEE
- ON-SITE BARISTA TRAINING
- MACHINE & MAINTENANCE OPTION

COFFEE RANGE

Our founder Vittorio Ferrari settled in South Wales from Italy over 90 years ago. We ethically source our coffee, which is hand roasted in small batches to develop delicious flavour and aroma. Our rich Italian heritage has inspired us to continue producing only the finest coffee on traditional drum roasters, giving you a little taste of Italy with every sip.
