We are Marshfield Farm

We've been creating a whole host of award-winning flavours on our family farm for over 35 years.

Our flavours are inspired by British classics, with a few surprises in the line up too. From creamy to crunchy, fruity to fudgy, we truly believe we have something for all the family.

One Family. One Farm. One Herd of Happy Cows

Three generations of The Hawking family have been farming the land we love for over 50 years. We farm using sustainable, regenerative techniques to increase biodiversity and reduce our carbon footprint and always put the welfare of our cows first.

We only ever use our own milk in our ice cream, which moves only metres to our ice creamery where it is combined with the best quality ingredients and churned into our delicious ice cream.

Three generations of our family have been creating delicious ice cream on our farm since 1988.

Produced sustainably with the best ingredients, we only ever use our own fresh milk in our ice cream.

We've got something for the whole family and we've scooped up lots of awards over the years!
