CONE QUALITY GUARANTEE

The first component to our 2021 approach to Ice Cream is our commitment to quality and excellent service.

**"IF YOU ARE NOT COMPLETELY SATISFIED WITH
THE QUALITY OF YOUR CONES THEN WE'LL
DELIVER A REPLACEMENT"**

Check your cones as soon as they have been delivered, and if you come across any breakages, contact our Advisor team straight away either by email: service@harlech.lls.com or call 01766 810 810. We'll then organise a replacement case to get to you as soon as possible.

SHOP THE COMPLETE RANGE

This year we have made sure that we have the complete range on offer, reflecting the support POS offered by our brand partners. We have an exciting mixture of old favourites together with the latest lines and flavours. You can browse our full range online at harlech.co.uk.

SCOOPING & IMPULSE PRICING

We have 3 key messages that make up our Transparent and Competitive plan for price across our Scooping and Impulse Ice Cream ranges this year.

SEASONAL SAVERS

On the back page of this brochure you will see the Competitive prices we have for you on 12 of the top Impulse lines this season. These lines will change every 2 months with those featured in this brochure staying at these unbelievable prices until October 31st, 2021.

SEASON-LONG PRICE GUARANTEE

We have made a season-long price commitment to you, and all Scooping and Impulse lines will stay at the prices advertised until October 31st, 2021. As our Seasonal Savers are the most Competitive prices we've ever offered to EVERY customer, the 12 lines are excluded from the ice cream rebate scheme.

PRICING STRUCTURE

New for 2021 is our Transparent and Competitive approach to pricing that rewards the customers who buy more of their Ice Cream from us. Whether it is the Scooping range, Impulse or a mixture of the two, you can benefit up to £3 on every case you buy each month. Imagine getting back almost **£1,300** from just buying 60 cases of Scooping Ice Cream each month, March to September.

ICE CREAM SPEND & SAVE

SAVE £000's EVERY MONTH

YOU CAN MIX AND MATCH

All customers will be invoiced at list price until the rebate is calculated at the month end. This rebate will then be applied to your customer account and can be used against purchases the following month.*
