## WE ARE MARSHFIELD FARM ICE CREAM

We've been creating a whole host of award-winning flavours on our family farm in the South West of England for over 35 years.

Our flavours are inspired by British classics, with a few surprises in the line up too. From creamy to crunchy, fruity to fudgy, we truly believe we have something for everyone, including the dog!

The Hawking Family & our farm dog, Scoop

## ONE FAMILY, ONE FARM, ONE HERD OF HAPPY COWS

Three generations of The Hawking family have been farming the land we love for over 50 years. We farm using sustainable, regenerative techniques to increase biodiversity and reduce our carbon footprint and always put the welfare of our cows first.

We only ever use our own milk in our ice cream, which travels only a few metres to our ice creamery where it is combined with the best quality ingredients and churned into our delicious ice cream.

Every drop of milk in our ice cream comes from our herd

## THE ICE CREAM EXPERTS

We are a one-stop shop for all your ice cream needs. We have an expert team of sales reps based across the UK, and they are on hand to support you with every step in your ice cream journey.

From freezer support to customer branding, product training and upselling ideas, our team really do have the inside scoop!

We are a one-stop shop for all things ice cream!
