— IN BUSINESS —

Firstly, I'd like to start by wishing you all a very Happy New Year!

We're celebrating 50 fabulous years of Harlech Foodservice!

It's an exciting year for us as we celebrate our 50th Anniversary. From when it began as Harlech Frozen Foods back in 1972 the company has outgrown two of its premises and evolved in to Harlech Foodservice as you know us today. Thank you to each and every one of you that continue to support us as we work together growing your business and ours.

2022 – Our Commitment To You

Looking ahead into what we hope will be a prosperous New Year for us all, we will continue to support you and your business through:

- Minimising the impact of supply chain issues by introducing suitable alternatives to our range.
- Offering transparent and competitive pricing, with all prices featured in Save Money fixed for that period.
- Maintaining our facility to order on our website up to 10pm.
- Increasing our delivery service up to seven days a week (coming soon).

Going Green!

As we move into 2022, we're working hard to further reduce our carbon footprint; by working with responsible suppliers and promoting sustainable best practice we're increasing our efficiency every day reducing our impact on the environment. See page 18 for a snapshot of the products we can supply you with as we all work together to achieve a greener future.

All the best for a wonderful year ahead,

Chris Gregson
Head of Sales
